# Beyond the Granny Square

**Cornerstone, Stafford**

**Saturday 15th February 2025 10 am—2 pm**

Have you ever wondered how to create a Granny Square with a difference? If so, then come along to this session at Cornerstone where you will learn the basics of reading a traditional Granny pattern and be introduced to a range of modern squares.

This is NOT a basic crochet course and you **MUST** be able to complete the basic stitches—foundation chain, double and treble crochet.

Please bring about 3 balls of different coloured yarn and a 4mm crochet hook. As the session runs from 10am to 2pm you may wish to bring a light lunch - tea/coffee/cake and biscuits will be available.

Apply no later than 23rd January 2025 by downloading and completing our entry form [here](#)

Use reference GS/Surname/WI Name. Please state date payment was made.
