Hello everyone

Hope the Summer is going well for you all.

Am mentioning events again. To make sure that we achieve as big a take up as possible and avoid cancelling; remember that you may apply for events directly yourself or through your WI and to do this in a timely fashion so not to miss out!

As well as in this bulletin, all information for events is on our website and social media.

We have lots of events planned for late Summer and Autumn; keep your eyes peeled for the information as we would hate you to miss out. Our committees at SFWI are so full of brilliant ideas, its great to be part of the buzz around that.

Speak to me or any of us if you are interested in joining any of our committees - we always welcome you to come along and look at what we do.

I am enjoying visiting WIs - it's great to be meeting more of you out and about.

See you soon, I hope.

*Helen*

# Committee News and Activities

## Crafts, Art and Design

Crochet – Beginners & Improvers 8<sup>th</sup> July – 12 attended. Clare ably explained the basics of crochet and how to create a foundation chain followed by double and treble crochet. Concentration and frustration were fed with tea/coffee, cake and biscuits. Everyone went away feeling enthused and inspired to create a crochet item feeding the CAD committee with ideas for future events.

Hi everyone

We are busy reviewing the annual reports over the summer and meet again in September when we discuss good practice and any problems for our WIs. If you have not sent in your reports yet, please can you do so? That would be great!

The Secretary and President catch up is 7pm, September 7<sup>th</sup> at the County Showground. We still have spaces and have worked on a programme for us all. Please let us know if you are coming. We are looking forward to meeting up again with you all. This is your chance to meet fellow officers and share your ideas and experiences.

We thank all committees and their officers for their hard work and organising our Staffordshire WIs!

Best Wishes

Our next meeting will be on Monday 18th September at 7.30pm on zoom where we will be discussing children's and young adults books. Please contact cornerstone if you would like to join the mailing list.
